A Public Private Partnership defined

تعريف نظام الشراكة بين القطاعين العام والخاص

A **Public Private Partnership** is a contractual agreement between a **public** agency e.g. federal, state or local and a **private** sector entity. Through this agreement, the skills and assets of each **partner (public and private)** are shared in delivering a service or facility for the use of the general **public**. In addition to the sharing of resources, each party shares in the risks and potential rewards in the delivery of the service and/or facility.

يعرف نظام الشراكة بين القطاعين العام والخاص بأنه اتفاق تعاقدي بين منشأة من منشآت القطاع العام (سواء كانت اتحادية، تابعة لإمارة معينة أو محلية) وإحدى منشآت القطاع الخاصة. يمثل هذا الإتفاق التعاقدي فإن خبرات وموارد كلا الطرفين (العام والخاص) يتم استغلالهما لتقديم خدمة أو إنشاء مرفق يكون مشاعاً للاستعمال العام (المرفق العامة). بالإضافة إلى إستغلال خبرات وموارد كلا الطرفين فإن كليهما يكونان شريكين في تحمل المخاطر وتقاسم العائدات المتوقعة من المشروع أو المرفق الخدمي العام.

The City of London - UK Financial Services Sector

At the heart of the world's financial markets, the City of London houses a unique concentration of international expertise and capital, supportive legal and regulatory systems, advanced communications and information technology infrastructure. The Lord Mayor of the City of London is the UK Financial Services Sector 'Ambassador'

The City provides an environment in which organisations from all over the world play their part in financing global trade and development. In recent years the City has also evolved to become a key Islamic Global Banking centre.

Overview

Associated Media and March Publishing are delighted to invite you to join us at the Islamic Finance and Development of Structure Conference – Public Private Partnerships 2009, taking place on 17th February 2009 at **Le Royal Meridien Hotel in Abu Dhabi.**

Focusing on the key elements of Private Public Partnerships, your attendance will ensure that you benefit from a comprehensive insight of the latest PPP practices and the methods, ideology and the formulas by which Islamic Finance can enhance this concept. The event will also provide you with an opportunity to source current information and details of immediate and long-term PPP opportunities that are presenting themselves throughout the region.

Our opening sessions will be conducted by the Lord Mayor of the City of London, Alderman Ian Luder and our Patron H.E. Sheikha Lubna Bint Khalid Al Qasimi, Minister of Foreign Trade, UAE. A key component of the agenda will be presentations and discussions from our local partners of the Abu Dhabi 2030 Development Plan. Alongside the Patronage of the Ministry of the Foreign Trade, both the Abu Dhabi DPE and Abu Dhabi Chamber of Commerce are supporting partners of the conference and regional pioneers in the domain of PPP.

Don't miss out on this unique opportunity to expand your PPP knowledge, to network with international finance specialists and ensure that your company is at the forefront of the many opportunities in this sector.

H.E Sheikha Lubna Bint Khalid Al Qasimi
Minister of Foreign Trade
UAE

Sheikha Lubna Al Qasimi is United Arab Emirates' Minister for Foreign Trade. In November 2004, she became the first woman in the country's history to assume a cabinet position, appointed to manage the UAE's newly merged economy and planning portfolio. Sheikha Lubna was also the Chief Executive Officer of Tejari (www.tejari.com), the Middle East's premier electronic business-to-business marketplace. (Now serving as a board member of Tejari). After honoring Sheikha Lubna Al Qasimi as the "Distinguished Government Employee Award" in 1999, HH Sheikh Mohammed Bin Rashid Al Maktoum, Crown Prince of Dubai and United Arab Emirates (UAE) Defense Minister appointed her as the head of Tejari at the launch of the marketplace in 2000. Prior to managing Tejari, Sheikha Lubna was the senior manager of the information systems department at the Dubai Ports Authority (DPA), a position she held for more than seven years. Before joining DPA, Sheikha Lubna acted as the Dubai branch manager for the General Information Authority, the organization responsible for automating the federal government of the United Arab Emirates. She has more than twenty years of information technology & management experience in the Middle East region. In 2001 Sheikha Lubna headed the Dubai e-government executive team responsible for instituting e-government initiatives throughout the public sector. Sheikha Lubna holds a Bachelor of Science degree from California State University of Chico, and an Executive MBA from the American University of Sharjah.
